

Stan W League / B+B LEAGUE Field Day

Sunday October 1, 2023

11:00 am Shot Gun

Format

“Sucker in The Bucket”

All players play their own ball.

On the **first hole played**, the team records the best net score (“Bucket Score”). If there is a tie, the players decide which score to use. The remaining players will add their net scores together.

On the **second hole played**, the team records the best net score of the **remaining three players**, again deciding which to use in the case of a tie. The remaining players will add their net scores together.

On the **third hole played**, the team records the best net score of the **remaining two players**, but here it is tricky to break a tie because on the **fourth hole played**, the sucker in the bucket goes to the remaining player, who is the only player whose score can count. The rotation then starts all over again.

The player whose score was used as the “Bucket Score” will write their name and score on the ticket attached to the scorecard, then place the ticket in the bucket. At the end of the round, we will draw one ticket from each bucket for a *Special Prize*.

Please note that only players who have paid League Dues may participate in the field Day. No subs are allowed on Field Day.

Teams: You will make your own **four person team**. If you cannot find four players, see Pro Shop Staff.

Cost: \$25.00
