SHOT GUN TOURNAMENTS

Definition: A way to start a tournament in which all groups of players tee off simultaneously from different holes. If there are 36 groups of foursomes in a tournament, then each hole on the course will serve as the starting hole for a different group. Group 1 would start from No. 1 (A), Group 2 from No. 1 (B), Group 3 from No. 2 (A) and so on, and each group would begin play at the same time

The minimum number of players required for a shot gun start is 72. Two foursomes will be assigned a hole on the Front 9 holes. One hole will be assigned for every additional 8 players added to the tournament.

Weekday Shot Gun tournaments may be held **9:00 am or earlier.**

Weekend shot gun tournaments will be held **at 12:30 pm.**

TERMS AND CONDITIONS

- **DEPOSIT**

A **\$500.00** deposit is due at the execution of this contract.

- **CANCELLATION**

In the event that this contract is canceled, the Course shall retain all deposits. Frost, fog, or inclement weather may cause a delay of tee times. St. Anne C C reserves the right to make all decisions regarding cancellations or rescheduling of the event due to unplayable weather conditions. Decisions based on the golf course and "rain dates" will be arranged only if St. Anne CC officials determine that the golf course is deemed unplayable. Whenever the golf course is determined playable, all outing fees will be assessed based on the guaranteed number of outing participants. In the event that the course officials determine that a "rain date" has occurred **during** the event, the General Manager or Golf Professional will make an equitable adjustment.

- **EVENT PAYMENT**

Payment is to be in the form of credit card, cash, or check made payable to St. Anne CC.

Full payment of all tournaments is due and must be paid for before tee off of the event.

The course must receive a guarantee as to the exact number of participants no less than **five (5) days prior to the event**. If no notification is given, the number of players listed on this contract becomes the guarantee. In the case the number of actual participants is less than the guarantee number of golfers, the group will be required to pay the guarantee number of players. St. Anne CC reserves the right to accommodate a maximum of 10% over the guaranteed number of outing participants.

- **GOLF COURSE USAGE**

Special events do not eliminate outside play. One Hundred forty-four players constitute a full field and the club reserves the right to fill available space.

- **FOOD & BEVERAGE**

Sponsoring organizations or individuals may not bring food or beverages to be either consumed, distributed, sold, or auctioned on the premises unless otherwise noted. If an exception is made, there will be an additional charge for these items.

- **EVENT SPONSOR'S LIABILITY**

The tournament group and event coordinator are responsible for all participants and guests, including their conduct, attire, use and care of the golf course and all other facilities and equipment, including golf carts, as set forth in the Golf Course Rules and Regulations. Further, the tournament group and chairperson agrees to be held liable for any damage to persons, the golf course, equipment, carts, or facilities caused by the tournament, its participants or any third parties, and that any damage to the above will result in the tournament group and chairperson being billed for said damages.
